**IQ2 Debates - Better more cameras than more crime**  
**St James Ethics Centre**  
In a bid to combat crime, Britain has made a massive investment in closed circuit cameras. Yet, the evidence suggests that this may have been for little benefit. Some suggest that this simply proves the need for more cameras. Is this an approach that should be adopted in Australia? Or is the consequent loss of privacy worse than the crime such measures are meant to curb?
