

Cancellation of Series 2 | Mozart's Clarinet
A statement from Australian Brandenburg Orchestra

As many of you would be aware, performance venues across Australia have closed as one of the numerous measures governments are putting in place to slow the spread of COVID-19. We also wish to assure you that the wellbeing of our audiences and employees is of the utmost importance for the Australian Brandenburg Orchestra.

With the Government's restriction on non-essential mass gatherings now limited to 100 people, our three major performance venues QPAC (Brisbane), MRC (Melbourne) and CRH (Sydney) have all closed. In addition, we have received a mandatory Public Health Order from the NSW Government to prevent us performing any further concerts until 14 June 2020.

As a result, we have cancelled Series 2, *Mozart's Clarinet*.

City Recital Hall's Box Office will be issuing refunds automatically to affected ticket-holders. If you have any concerns, please contact us directly by emailing tickets@brandenburg.com.au

These uncertain times will have a significant impact on our live performance industry and we stand with our arts community in this crisis. In the coming weeks, we will be working on ways to continue to bring you the joy and beauty of Baroque music until the concert halls can re-open.

Thank you for your patronage and support during this time.

Best wishes
