

SPECIAL ANNOUNCEMENT FROM SELBY & FRIENDS

As a result of strict directives from the Federal Government concerning large gatherings and social distancing amid the current COVID-19 crisis, Selby & Friends wishes to advise patrons that their upcoming planned May concert program entitled "Let's Get Personal" had to be cancelled.

However, Selby & Friends has recorded a professionally filmed 'virtual' concert to replace this concert and are preparing this now for release online to ticketed patrons only along with extensive extra material in the form of interviews with the artists. This will form part of our new ***Selby&Friends At Home*** series.

Should you wish to have access to this special concert and extra material with Kathryn Selby (piano), Andrew Haveron (violin) and Umberto Clerici (cello), please contact us directly [here](#) and you will be sent information about how to access this special concert.

We sincerely hope you will continue to support the arts in Australia. Selby & Friends hope you stay safe and well and we look forward to welcoming you back to a live concert at City Recital Hall in the very near future.
